APRIL 2025

### HOA PHONE NUMBER

The board has decided to drop service on the HOA

cell phone since we do not receive any phone calls. Most residents have been contacting the HOA through email when they have an issue. It wasn't worth the expense to keep paying for service. Please feel free to contact us by email or by letter to the post office box.

### ANIMAL CONTROL GUIDELINES

Dogs and cats are not allowed to run, stray or go onto public property or a private yard or lot without the property owner's permission.

Any cat that is outdoors while not under direct control of owner must be fixed. Dogs, cats and ferrets four months of age or older must be vaccinated against rabies by a veterinarian and must have current license tag.

Animal waste must be immediately removed by pet owner or keeper on both public and private property.

Please call (813) 744-5660 if you have any questions.

### EASTER FAMILY FESTIVAL

Carrollwood Baptist Church would like to invite children (fifth grade and under) along with their families to an Easter event at the church located at 5395 Ehrlich Road. There will be a variety of games, crafts, and visits with the Easter Bunny on Saturday, April 19th 11:00 am through 2:00 pm. Event is free.

There will be food trucks on site for the purchase of food, drinks and snacks.

### NEIGHBORHOOD CONFERENCE

As stated in the last newsletter, several people attended the Office of Neighborhood Relations Conference held in the new Feeding Tampa Bay Warehouse by the Port of Tampa. Their new building is huge, state of the art and serves so many needs of the community. At the morning welcome and breakfast, we had the opportunity to watch volunteers sort and pack food for those needing assistance. It is a wonderful organization and clearly very well run. The event showcased the many different departments and offices of Hillsborough County with representatives available to answer questions. Many of the booths had materials and free items for those attending. Several of the County Commissioners were there. It was so good to finally be meeting in person again.

This conference was a great place to connect with the department heads. Some of the departments we spoke with were Code Enforcement, Tax Appraiser, Animal Services, Solid Waste, Sheriff's Department and others. It was time well spent and we will encourage our community to attend the next one.

## CONSTRUCTION AT THE PARK

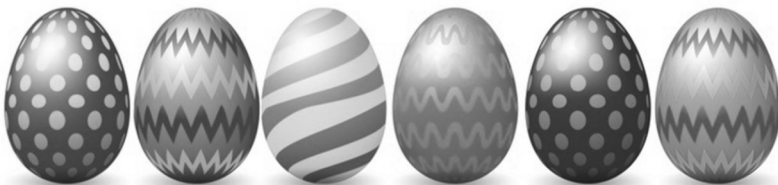

The construction project to help with flooding in Carrollwood Meadows is well under way. So much has been done at the park. They are at the point now that they can start working on the Carrollwood Meadows drainage project. You will see signs for the detour in this area. They have had some major equipment working at the park the last several weeks. New drains have gone in, the culvert has been redone, the bridge over the culvert going to the back parking lot has been reconstructed. It will be worthwhile to have this project completed so those living along east Carrollwood Meadows Drive won't have to deal with street flooding during heavy rains. Please be patient during this time.

Yard of the month on Pathfinder Drive well maintained grounds with attractive landscaping make this home shine! Congratulations on being yard of the month for April.
