### **Gail is Newcomers Inspirational Chairperson.**

Gail starts our board meetings and formal luncheons with an inspirational thought. Here are some in the past.

Kindness is loaning someone your strength instead of reminding them of their weakness.

Grudges are a waste of happiness. Laugh when you can, apologize when you should and let go of what you can't change. Love deeply and forgive quickly. Life is too short to be unhappy.

I cannot even imagine where I would be today were it not for that handful of friends who have given me a heart full of joy. Let's face it, friends make life a lot more fun!

Life is not about being rich, being popular or being perfect. It's about being real, being humble, and being kind.

A true friend accepts who you are, but also helps you become who you should be.
